

5ft T5 LED Tube

Distinctive Qualities:

- 3-in-1: ballast compatible, double-ended and single-ended direct wire
- Shatterproof design meets NSF standards

Technical Specifications:

Construction: Glass with PET coating

Warranty: 5 Years (labor not included)

Base Type: G5

Rated Voltage: 120-277 VAC

Rated Frequency: 50/60 Hz

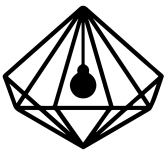

Lifetime: L70: $\geq 50,000$ hours

CRI: 83

Certifications:
